Chitra Productions was established in 2008 with a vision to provide innovative business solutions to assist organizations in optimizing assets, knowledge, and service. Chitra is an award-winning, ISO 9001:2015 certified, HUBZone, 8(a), woman-owned small business, with Secret facility clearance. We are dedicated to handcrafting solutions for mission-critical problems using innovation, knowledge, and technology. We are committed to offering an exemplary performance supported by our well-rounded and thoroughly knowledgeable staff operating at the highest level of integrity. Our mission is to provide innovative and individualized business solutions, designed to assist organizations in optimizing assets, providing expert knowledge, and delivering reliable services.

Chitra has over ten years of experience providing professional educational, training, business, and operational solutions to the Federal government. Our capabilities reflect absolute technical proficiency, robust skills, stable management, and established performance history. We are successfully delivering comprehensive professional support services to effectively manage Federal agency programs for some of the most critical requirements in the nation.
