

Chitra Productions, L.L.C. Awarded GSA/Human Capital and Training Solutions IDIQ Contract Vehicle

July 23, 2019

Chitra Productions, L.L.C. (Chitra) announced selection as a prime contractor for the General Services Administration's (GSA's) Human Capital and Training Solutions (HCaTS) Indefinite Delivery Indefinite Quantity (IDIQ) contract vehicle for Pool 1. HCaTS has been identified as the best human capital and training contract vehicle in the Federal Government, with awardees that are rigorously vetted and demonstrate a "best in class" offering to all Federal Departments and Agencies. HCaTS includes a five-year base contract with a five-year option period, as well as an additional five years for task order completion.

Chitra was established in 2008 with a vision to provide innovative business solutions to assist organizations in optimizing assets, knowledge, and service. Chitra is an award-winning, ISO 9001:2015 certified, HUBZone, 8(a), woman-owned small business, with Secret facility clearance. We are dedicated to handcrafting solutions for mission-critical problems using innovation, knowledge, and technology. We are committed to offering an exemplary performance supported by our well-rounded and thoroughly knowledgeable staff operating at the highest level of integrity. Our mission is to provide innovative and individualized business solutions, designed to assist organizations in optimizing assets, providing expert knowledge, and delivering reliable services.

Chitra has over ten years of experience providing professional educational, training, business, and operational solutions to the Federal government. Our capabilities reflect absolute technical proficiency, robust skills, stable management, and established performance history. We are successfully delivering comprehensive professional support services to effectively manage Federal agency programs for some of the most critical requirements in the nation, combining the latest technology, proven teaching methods, and knowledgeable instructors to produce cutting-edge training. Our training conforms to industry standards based on SCORM, ADDIE, Section 508, and sound Instructional Systems Design (ISD) methodology.
